

# ARACELI MEDINA GONZALEZ

## JUNIOR FRONT-END DEVELOPER

Royalston, Massachusetts | [ara.medina@gmail.com](mailto:ara.medina@gmail.com) | <https://araceli-medina.netlify.app/>

## SUMMARY

I am a very dynamic person that can work in diverse fields due my education and experience. I am passionate about web design, learning new technologies and languages. I lived in Taiwan for 5 years because I won a scholarship. I can speak Spanish, English, Chinese and some Portuguese. I am reliable, organized, a fast learner, responsible and a positive person. I have worked as an integrator engineer, customer service, marketing manager, teacher and purchasing manager. I love sports and nature.
